

The transition to our new Online Banking system will take effect on June 6. To sign in for the first time, on or after June 6, please follow these simple steps:

STEP 1 - Sign in by typing in your Online Banking ID as you normally would and click “Continue.” You will see an instructional pop-up.

STEP 2 - After you click “Continue” in the pop-up, the next page will open in a new tab and prompt you to enter **your User ID**. Your user ID in the new system will be the same as your previous Online Banking ID, but entered in **all lowercase letters**.

Previous Online Banking ID: AmyDavis123

▶ **New User ID: amydavis123**

STEP 3 - Follow the instructions on the screen to get your **one-time security code**. (If your mobile or home telephone number is not listed as an option, you will need to contact us at 855-462-2652 to add it to your online banking profile in order for you to continue.)

STEP 4 - In order to sign in the first time, you will be required to enter your temporary password, which is **Monday@** followed by the **last 3 digits** of your Social Security number.

For example:

If your Social Security number is 123-45-6789

Then your temporary password will be **Monday@789**

Temporary password: Monday@last 3 digits of your Social Security number

STEP 5 - Finally, you must **reset your password** to finish. Follow the instructions after signing in.

For mobile app users:

1. You will be required to complete the Online Banking sign-in process first.
2. After you complete the Online Banking sign-in process, you should delete the old app and download the new app.
3. Then, use your new user ID and password from the Online Banking sign-in process mentioned above.

As always thank you for choosing CIT Bank and for the opportunity to serve you.
